

LA FETE FRANGLAIS

This year's festival final weekend has been produced in partnership with ATELIER 231 - Centre National des Art de la Rue as part of the ZEPA2 programme.

ZEPA 2 is a continuation of the ZEPA 1 project; which succeeded in implementing a network dedicated to the development of outdoor arts across Southern England and Northern France, thanks to the support of the European cross-border cooperation

programme Interreg IVA France (Channel) England and co-financed by the ERDF.

For this second phase, running from 2013 to 2014, seven arts organisations, three in the UK and four in France; will be sharing resources and experience to develop research and university exchange around outdoor arts and contribute to the professional development of emerging outdoor artists.

This network will also facilitate artists' touring across various areas, particularly isolated areas, increasing interactions between artists and communities through the organisation of Anglo-French artistic events.

Vivacity and the Peterborough Arts Fest are proud to be a member of the ZEPA2 European partnership, as it will enable the Peterborough Arts Festival to grow and develop over the next two years, working in partnership with other national festivals.

ARTS FESTIVAL FINALE WEEKEND

UPON THIS ROCK – LANTERN PARADE

FRIDAY 6 SEPTEMBER 7PM - 8PM **CATHEDRAL SQUARE**

(SEE OPPOSITE FOR PARADE START LOCATIONS) FREE ADMISSION

Brought to you by Metal, 'Upon This Rock' will be both a celebration of Peterborough and its people and a visual and musical feast. Spectacular lantern parades peopled by hundreds of local schoolchildren and their families will start in four corners of the city and converge on Cathedral Square, filling the city centre with light, colour and sound.

The event will feature at its heart a performance of a specially commissioned score by composer Jonathan Baker, and will feature a number of Peterborough residents using music and song to tell their own stories about how they and their families came to call the city 'home'. Taking its inspiration from the idea of 'home' and from the city's history of migration, dating back through the housing schemes of the 1960's and as far back as the celebrated bronze-age boats, the performance will embody the lives and journeys - great and small - that have led people to settle in Peterborough.

EASTERN ANGLES
PRESENTS
DARK EARTH AT FLAG FEN
12 - 22 SEPTEMBER

Dark Earth celebrates our city's long line of heritage, and will be performed at cultural heritage site Flag Fen in 2013!

Written by Forbes Bramble, Dark Earth explores the drainage of the Fens against a remarkable archaeological discovery that set engineer against eel trapper, priest against churchgoer, and landlords against tenants.

40TH BIRTHDAY FAMILY FUN DAY AT THE KEY THEATRE SUNDAY 24 NOVEMBER

We are opening up the theatre for you and your family to have some fun and try new things. In the morning, the Key Youth Theatre, Eastern Angles Theatre Company and Small Nose Productions will be running fun activities in our rehearsal studios.

There will also be an opportunity to go back-stage and find out what goes on there. Plus look out for the exhibition of some of our favourite costumes and memorabilia.

THE BALLAD OF
LITTLE MUSGRAVE
SUNDAY 15 SEPTEMBER
PETERBOROUGH CATHEDRAL
TICKETS FROM £10-£18

One of today's leading folk artists, Jon Boden takes an enduring English ballad and retells it in a compact and powerful music drama. Love and betrayal, kinship and class, rage and revenge - all in the tale of servant Little Musgrave's fatal love for his lord's wife, woven around the music of Benjamin Britten.

Commissioned by Aldeburgh Music as part of the Inspired by Britten series and featuring a stellar cast of singers and the Peterborough Male Voice Choir.
